WESTCLIFF ON SEA

The **Quiz** held in February was very successful with forty four people taking part. The Fish and Chips and Chicken and chips from Oldhams seemed to go down well. We raised around £200.

Our regular **Bridge Night** hosted by Richard Perryman at the Thorpe Bay Bridge Club proved popular once again and the feedback from participants indicated that it was an enjoyable and friendly evening. Funds raised amounted to £265. Thank you to all those supporters who have made it a successful event.

Eastwood Chorale Choir, who have given us a lot of support in the past few years, are putting on a production of **Handel's Messiah** on Saturday the eighth of March at 7.30pm. This will be a very popular event.

Don't forget to book your tables for our next **Quiz** on the 29th March.

We are organising a **Fund Raising Chinese Night** at **ZEN CITY**. The food there is great so, if you would like to join us on Tuesday the 1st of April, at 7.30 for a three course meal, please let me know.

If you know of anybody who might like to be included on our mailing list, please contact me.
