

FRIENDS OF ST MARTINS

59 IMPERIAL AVENUE
WESTCLIFF ON SEA

Our next **Quiz** is being held on the 17th March and bookings are now being taken. Please let me know as soon as possible if you would like to participate.

The **garden event** on the 22nd of April is to celebrate **St. George's Day**. It will be an audience participation event, so bring your hats, whistles, coloured gear and flags to wave. It will be a noisy occasion!!! Please join in the singing of patriotic songs such as Land and Hope and Glory, Jerusalem and famous ballads. Just like **The Last Night at the Proms**. Tickets now available @ £8.

The Southend-on-Sea Round Table 106 is organizing **A Moonlight Colourthon** which is taking place on the evening of the 7th July. This is a thirteen mile power walk, being supported by Keymed and David Lloyd. Carla Riley - my daughter - has agreed to walk this for St. Martins and is looking for people to sponsor her. If you would like to help her, please let me know on 01702 433802.

We find that at many events we are sometimes short of helpers to do various jobs and could do with some assistance. If you find that you are able to help the charity at any time, please contact our Secretary Sharon on 01702 471132. We would be most grateful.
