

FRIENDS OF ST MARTINS

59 IMPERIAL AVENUE
WESTCLIFF ON SEA

Our **Bridge Evening at St. Martins**, which was held on the 15th April, was well supported. This is a very popular event. If you have friends who would like to come to our next one, please let me know their details and I will inform them of the date and place.

The **Bumper Quiz** scheduled for Saturday the 5th of May at St. Augustines hall, Johnstone Road, Thorpe Bay on Saturday the 5th May is going well. We have now eleven teams competing. Why not book a table or join others. Price £4. Bring your own refreshments. Starts at 7.30pm.

The **St. George's Day Celebrations** were very well supported. What an excellent afternoon. Wonderful sunshine in the garden and superb singing by Eastwood Chorale who gave us their all. We raised £355.

Funds for the **Moonlight Colourthon** are now coming in and to date we have received sponsorship for over £200. This is an evening walk being supported by Key-Med, David Lloyd and The Southend Round Table. The thirteen mile walk takes place on the evening of the 7th July. (bright costumes will be worn).

We will be holding a **Curry Night** in June. If you would like to join us, please contact Sharon or me at the office (01702 471132) for the details.
