

FRIENDS OF ST MARTINS

**59 IMPERIAL AVENUE
WESTCLIFF ON SEA**

Our Quiz held at St. Martins on Saturday the 13th of February was very well supported. My humblest apologies to those we were unable to accommodate.

Due to fire regulations we can only have around nine tables. Very many thanks to those who helped us to raise £370.

Many people ask us what we do with these funds: Firstly, we are a "not for profit organization". We barely cover the cost of servicing the residents.

We regularly have to train our staff to the highest standards and constant changes to the regulations pushes up our bills. The existing building needs regular repairs.

If you have an interest in any of our future events, please contact me on the numbers to your right.
